AllerAir Industries

Model 5000 Pro Exec-UV

Get a combination of HEPA, CARBON and ULTRA-VIOLET for the remediation of dust particles, microbiological toxins, gases and odors.

- Cleanable pre-filter.
- 2 Anti-microbial filters.
- Anti-microbial pre-filters.
- 15 lb. granular activated carbon filter.
- HEPA filter. (or micro-wrap)
- Changes air in 1200 sq.ft. every 15 minutes
- 3 speed fan up to 400 CFM.
- Easy to carry 21" 15" (45 lbs.)
- Powder coated steel body.

UV germicidal lamp

- Dual air flow: Air is circulated twice over the UV lamps for maximum sterilization.
- 10 or 20 watt option.

5000 Pro $699.98

Models 5000 D and DX

The power of MAC-B CARBON with a unique refillable carbon filter bed.

- Up to 28 lbs. granular activated carbon filter.
- Micro-HEPA particle filters.
- 2 Anti-microbial filters.
- Cleanable pre-filter
- Powder coated steel body.
- Convenient size: 21" x 15" (45 lbs.)
- 3 speed fan: low, high, turbo.
- Fan rated at 400 cubic feet per minute.
- UV option available.
- Quick-attach negative air duct available.

D Model $ 699.98
DX Model $ 799.98

Extra Activated Carbon

- Activated carbon can adsorb up to 60% of its own weight in airborne chemicals, gases and odors. **The 5000 D** and **DX** have extra carbon to deal with heavy concentrations of chemical air pollutants.
- The **5000 D** - with **22-24 lbs.** of carbon (3" deep bed) - provide approximately one and a half times the gas and odor filtration of the EXEC models. (calculated wtih a regular carbon mix)
- The **5000 DX** - with **28-30 lbs.** of carbon (3.5 deep bed) - provide approximately double the gas and odor filtration of the EXEC models. (calculated with a regular carbon mix)

AllerAir Industries

Industrial applications
Fire and water damage
Mold abatement,
Asbestos abatement,
Construction pollution
Smoke control
Musty odors

Air Scrubbers & Negative Air Purifiers for Restorators, Contrators and Industrial Applications.

A complete range of air purification equipment to deal with airborne particulates, chemicals, and odors.

The widest range of efficient, cost -effective solutions

- AllerAir particulate and chemical remediation units range from the compact **5000 Series** at 200 to 400 CFM and **9000 Series** at up to 735 CFM, to the **I-6500 Series** at 1000 CFM and **AR 2000** at up to 2000 CFM.
- Remediate 4000 different chemicals, gases and odors with 40 different adsorbents all in stock.

Ideal for:
Particles
Soot
Odor
Mold
Asbestos

▲ **AR 2000 Series**
$1299.98 to $2099.98

9400
HEPA and 15 lbs. of carbon.
$999.98 ▼

▲ **I-6500 A, 1000 CFM**
HEPA and 80 lbs of carbon **$3999.98**
160 lbs carbon **$4499.98**

▲ from $999.98 **9500 Restorator**
HEPA and 15 lbs of Carbon or 30 lbs. of Carbon.
or 4" HEPA (no carbon)

◀ **5000 Pro Series**
HEPA and/or up to 28 lbs. of Carbon.
from $ 699.98

Options:
*** UV available on all units.**
*** Massive quantities of Carbon for odor mitigation.**

Air Scrubbers and Neg Air Purifiers

AllerAir *offers a wide range of air purifiers, each with a full range of options.*

AR 2000 DP Horizontal
$1299.98 to 2099.98

AR 3000 SDDT HDG
$2799.98

AR 2000 DP Vertical Model
$1299.98 to 2099.98

Air Rhino 2000 Dual Purpose

Designed specifically for renovation, restoration and indoor construction, the **Air Rhino 2000 is an adaptable and cost-efficient system,** which features either 1000 or up to 2000 CFM's of cleaning power. **Choose to target chemicals and odors with a carbon filter, or switch to particle remediation with the quick-change HEPA filter.** Available with a dual speed or variable speed motor. Consult one of our air-quality consultants to customize an optional blend of carbon to meet your specific job-site needs.

Air Rhino 2000
Dual Purpose Variable Speed

Features:

- Medical grade HEPA filter, 24" x 24" x 11½"
- Variable speed motor, up to 1300 CFM of purifying power, 1600 free flow
- 7 ½ lb. granular carbon filter
- 18 gauge, polished galvanized steel body for durability
- Industrial handles and wheels, both swivel and straight for easier maneuverability
- 12" hose attachment for negative air
- Quick change 30 second pre-filter
- Quick change 30 second dust filter

Options:

- 100 lb. canister of granular carbon for chemical, gas and odor abatement
- 2000 CFM and high capacity filter and 2800 CFM free flow
- UV germicidal lamp, 10, 20 or 40 watts
- Collapsible Mylar hose and hose clamps

Air Rhino 2000
Dual Purpose Dual Speed

Features:

- Medical grade HEPA filter, 24" x 24" x 11½"
- 2 speed motor, up to 1000 CFM of purifying power
- 7 ½ lb. granular carbon filter
- 18 gauge, polished galvanized steel body for durability
- Industrial handles and wheels, both swivel and straight for easier maneuverability
- 12" hose attachment for negative air
- Quick change 30 second pre-filter
- Quick change 30 second dust filter

Options:

- 100 lb. canister of granular carbon for chemical, gas and odor abatement
- UV germicidal lamp, 10, 20 or 40 watts
- Collapsible Mylar hose and hose clamps
- Horizontal or vertical configurations available
- 18" x 24" x 37 1/2" housing available

AR 2000
Dual Purpose VS
HEPA & 7 ½ lbs. of carbon
$1499.98
UV optional

AR 2000
Dual Purpose VS
100 lb. canister of granular carbon
$2099.98
UV optional, HEPA optional

AR 2000
Dual Purpose 2 speed
HEPA & 7 ½ lbs. of carbon
$1299.98
UV optional

AR 2000
Dual Purpose 2 speed
100 lb. canister of granular carbon
$1899.98
UV optional

Air Scrubbers and Neg Air Purifiers

9000 series models are compact, powerful and easy to transport. Choose from 15 to 40 lbs. of carbon.

Model 9500 Restorator

From $999.98

- 2" medical grade HEPA
- 15 lbs. of granular activated carbon refillable filter
- 1" Pre-filter
- Variable speed up to 360 CFM
- Easy to carry 15" x 21" (45 lbs) on wheels

Options

- Variable speed 100 to 735 CFM
- Industrial ball bearing wheels
- Carbon filter (30 lbs.) no HEPA
- Negative air flanges
- UV Germicidal lamp: 10 or 20 watts
- 30 lbs carbon / no HEPA
- Double HEPA (4"), no carbon

Model 9650

AllerAir 9650
16" x 24" x 24"
from $1299.98

- 2" medical grade HEPA
- Refillable 30 lb granular activated carbon filter, 40 blends available
- 99.97% HEPA filter
- Variable speed 560 or 735 CFM

Options

- Dolly Handles
- UV lamp: 10, 20 or 40 watts
- Negative air flange
- Carry handles,
- Industrial ball bearing wheels

I-6500 Series A-B-C-D

(A: HEPA and 80 lbs. carbon canister or 160 lbs of carbon)

- 350, 500 and 1000 CFM
- Medical grade HEPA filter
- 80 - 160 lbs. of carbon filter
- Anti-microbial pre-filters
- Instant access filter trays
- UV germicidal lamp
